Our Teen Center Summer program provides students (grades 6-12) with dynamic programming and field trips to enhance our members' physical, social and academic well-being. Through funding provided by our 21st Century Community Learning Center and TANF grants, our staff will work hard this summer to ensure that we are providing all registrants with unique learning enrichments, character education experiences, career exploration, arts and multi-cultural studies and health and nutrition practices.

How to Sign Up: Registration forms are located at our Gardiner Clubhouse at 14 Pray Street. The cost to attend is \$145/week with opportunities for scholarships. Registration forms allow our families to only pick/pay for the weeks indicated on the registration form. For more information please contact Holly Jordan at hjordan@bgckv.org

What do I need to Bring?

EVERY DAY: Students MUST have a water bottle. This can be filled at The Club throughout the day.

We also encourage students to bring sunscreen, a change of clothes, sneakers and optional spending money for Walking Club.

Field Trip Days: Students who attend on field trip days are required to attend the trips. On beach days and days that campers will be getting wet, students should bring a water bottle, swim suit, towel, sandals and sunscreen. Please note: We DO NOT apply sunscreen onto our campers, but we do remind students to apply it to themselves and have plenty available if needed.

Dress Code: Students are NOT permitted to wear sweatshirts during the summer to avoid heat exhaustion. Blankets and pajamas are not permitted. Students should dress appropriately for all listed activities (including mandatory sneakers and socks on days indicated).

Waivers: Some of our activities require parental waiver in order to participate. Please see the calendar for these events and be sure to fill out the required waivers in advance.

Required Waivers:
