

BOYS & GIRLS CLUBS
OF KENNEBEC VALLEY

CAMPAIGN

BGCKV Clubhouse has served the community well for over 60 years. First, as the Pray Street School opening in 1956 and now as the home of the Boys & Girls Clubs of Kennebec Valley. We also serve the community as a place for youth sports and programs. Given the age of the building, extensive maintenance required and current state guidelines, the building has reached the end of its useful life. Renovation of the building was far costlier than building new.

Construction will be significantly more cost-efficient and creates an opportunity to expand our membership to meet the growing need. Annually we serve more than 3,000 youth, with more than 1,800 enrolled as members at the Club and another 1,700 youth served through community outreach.

OUR MISSION

To enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.

OUR VISION

Provide a world-class Club Experience that assures success is within reach of every young person who enters our doors with all members on track to graduate from high school with a plan for the future, demonstrating good character and citizenship, and living healthy lifestyle.

OUR GOAL

BGCKV is raising \$10M to build a new clubhouse and transform our 7.5 acres into a grass sports field, safe, age-appropriate outdoor space and playgrounds. Membership waiting lists will shorten and programming will expand to meet the needs of the youth in Kennebec Valley.

OUR PROMISE

Throughout our history, our Club has provided a safe haven for those children needing help during difficult times. We've served the region for over 20 years providing high quality child care and a safe and educational after-school experience. Our mission transcends politics, partisanship and policy, and nothing will stand in our way as we continue to serve as a leading voice and advocate for all young people in Kennebec Valley.
