Food Allergies

Parents/Guardians need to notify the front office or the Food Service Director as soon as possible if their member has a food allergy. The Club must have a completed Dietary Restriction and Substitution Statement with a physician's signature before the Club can provide alternate meals. Alternative meals will not be provided by the Club if food substitutions are by choice. Meals and snacks can be provided by parent/guardian on any or all occasions.

Food from Home & Treats from Home

Nutritious meals from home can be brought to the Club and eaten in replace of any Club meal. Some members enrolled in our programs have food allergies. Please check with program staff before sending your member with any food. Members enrolled in our Early Preschool through Teen Center that bring a meal from home, please make sure that it is stored properly in a lunchbox, container or bag with an ice pack. We do not offer refrigeration for meals from home for Early Preschool through Teen Center groups. For infant and toddler programs meals need to be packaged in a closed container with a label that has the members name and the date it was prepared. We are able to refrigerate meal until meal time. All meals brought to the Club need to be fully prepared and ready to be served. Club staff does not prepare any food from home. All

treats for special occasions and Holiday parties are welcomed at the Club, but we ask that NO homemade treats be brought into the Club. All treats need to be prepackaged or made in our kitchen. Please check with staff before bringing anything in for Holiday parties or special occasions.

Summer Food Service Program

The Summer Food Service Program (SFSP) was established to ensure that children continue to receive nutritious meals when school is not in session. The U.S. Department of Agriculture's (USDA) Food and Nutrition Service (FNS) administers the SFSP at the national level and the State of Maine Department of Education at the State level. This program reimburses a portion of the expenses related to providing a healthy lunch and afternoon snack to all children age 18 and under. The Boys & Girls Clubs of Kennebec Valley is an open summer feeding site.

Drug and Alcohol Free Environment

The Boys & Girls Clubs of Kennebec Valley is dedicated to providing its employees, members, and visitors with a safe and healthy environment. BGCKV is a 100% smoke and tobacco-free campus, effective since 2003.

The Boys & Girls Clubs of Kennebec Valley recognizes that smoking and the use of tobacco products on our grounds is detrimental to the health and safety of everyone. This institution supports an environment where employees, members and visitors are not exposed to the harmful effects of secondhand smoke and are supported in efforts to live tobacco-free. Therefore, **the Boys & Girls Clubs of Kennebec Valley** has adopted a 100% tobacco-free campus policy, that exceeds state law (22 M.R.S.A. § 1580-A).

This policy prohibits all smoking and the use of all tobacco:

In all **Boys & Girls Clubs of Kennebec Valley** owned, leased and affiliated buildings.

At all **Boys & Girls Clubs of Kennebec Valley** sponsored events– both indoor and outdoor.

In all **Boys & Girls Clubs of Kennebec Valley** owned, leased or rented vehicles.

In all personal vehicles parked on **Boys & Girls Clubs of Kennebec Valley** owned, leased and affiliated property. At all events hosted or organized by **Boys & Girls Clubs of Kennebec Valley**.

smoking in this policy. Non-smoked marijuana products including, but not limited to, edibles and dabs are also included in this policy.

“Tobacco” is defined as all tobacco-derived or containing products, including but not limited to, cigarettes, cigars, little cigars, cigarillos, bidis, kreteks; all smokeless and dissolvable tobacco products, including but not limited to, dip, spit/spit-less, chew, snuff, snus and nasal tobacco; and any product intended to mimic tobacco, containing tobacco flavoring or delivering nicotine, including but not limited to, electronic nicotine delivery systems, e-cigarettes, e-cigars, ehookahs, vape pen or any other product name or descriptor. Or the use of any other type of tobacco or nicotine product for the purpose of circumventing the prohibition of tobacco in this policy. This does not include products specifically approved by the US Food and Drug Administration (FDA) for the purpose of cessation or nicotine replacement therapy.

PROCEDURES

This policy will be communicated through tobacco-free signs posted at all property entrances and throughout the facility, through employee education, including being written into training manuals and new employee orientation. Everyone is required to comply with **Boys & Girls Clubs of Kennebec Valley** tobacco-free policy. Enforcement of this policy will follow the standard procedures of the facility. Information regarding tobacco treatment resources, such as onsite counseling and the Maine Tobacco Helpline (1-800-207-1230), will be made available for tobacco users who are interested in quitting.

Concealed Weapons

The Club does not allow any concealed weapons on Club ground or in the buildings used by any Clubhouses except by law enforcement officers.

Transportation to and from school

MSAD 11 and RSU 12 provide transportation. Members are the responsibility of MSAD 11 or RSU 12 from the time they board the bus until they are dropped off at school or at the Club.

In the event a member doesn't return to the Club on the bus as planned, the following will occur:

1. MSAD 11 and RSU 12 transportation will be contacted to see if the member was dropped off at a different location.
2. Parents/Guardians will be contacted to clarify that the child should have gotten off the bus at the Club.

Arrival & Departure

Your member has the right to be safe and protected, therefore we require:

- The Club uses electronic attendance, please use scan card when available.
- Entrance to the Club's is through the front doors of the building.
- Parents/Guardians are asked to be dressed appropriately while at the Club.
- If your member will not be attending for any reason, please call the Club and inform staff of their absence. We are required by the State of Maine Child Care Subsidy Program to report two unexplained absences within one month.
- Please turn off your vehicle when dropping off and picking up. We do not want the liability of anyone getting injured by an unattended vehicle.

- Any member that is registered in any of our child care programs may not leave the building by him/herself or with someone who is not listed on the member's registration form. A phone call or written permission from the parent will be expected when a situation should arise.
- Only adults over the **age of 18** may sign a child in and out.
- All programs close promptly at 5:30 p.m. If other pick up arrangements have been made a signed and dated note from the member's parent/guardian is required. The person may need to provide identification such as a driver's license or state I.D.
- Late pick up is not an option. Late pick up will result in immediate termination from Club programs.
- As a licensed child care we DO NOT have the right to refuse pick up by a parent/guardian unless there is a court order.
- If a parent/guardian picks up a member and appears to be under the influence of drugs and/or alcohol authorities will be called.

Respect and Safety

All members and staff at the Boys & Girls Clubs of Kennebec Valley deserve a positive and safe environment. All participants are asked to show respect for others and their belongings.

Emergency and Important Information

The Club must be notified of any changes to emergency numbers and/or pertinent information as soon as possible. It is very important to have phone numbers and information that are up to date and someone available to respond in the event of an emergency. The Club's emergency operations manual is available to any parent to review.

Fire Drills / Emergency Evacuation Plan

Fire drills are preformed monthly at the Club. We also do two evacuation emergency drills annually to help us practice how to transition the children and staff safely out to the building in the event of an emergency. If there was an actual emergency and we needed to evacuate the building parent would be informed as soon as the children and staff are in a safe location. Each Clubhouse has a designated location offsite if members need to be relocated. If we need to relocate to a location further away, we would use MSAD 11 or RSU 12 Transportation to move to a safer location. Emergency information may be transmitted through the Remind App or telephone.

Toys and Personal Items from Home

We ask that all members leave toys and personal items at home. Child Care members (K-5) may not use cell phones, mp3 players/iPods, DS's or any other such electronic devices while in our care. The Club is not responsible for any lost or stolen items while in our care.

Sunscreen Policy

All members 6mo and up will be sun screened when going outside unless parents/guardians specify on the registration form. The Club does provide sunscreen but parents/guardians can provide their own if preferred as long as it is not aerosol/spray on sunscreen due to some children's health conditions.

Bug Spray Policy

Members can apply bug spray before arriving at the Club. The Club does not allow members to bring bug spray or apply bug spray while in care. Please leave all bug sprays at home.

Boys & Girls Clubs of Kennebec Valley reserves the right to change any of these policies, as necessary. REVISED 7/1/2022

Field Trip Restroom Policy

If a member has to use the restroom while the bus is in transit they will need to wait until the bus driver can get off the next exit or next available restroom. The bus will not pull over to the side of the road nor are members allowed to urinate in containers on the bus. If a member has an accident on the bus it will be dealt with as quietly as possible.

Water Safety Policy / Field Trip Policy / Emergency Water Plan

During summer days or in hot weather members can participate in water play which include but not limited to water table, wading pools, slip and slide, water slides, or attend a field trip to the beach. Parents will have advanced notice of the location and times if any member attends a field trip. All members that participate in water play while onsite will be supervised by a staff who is water safety certified. All beach trips must have a lifeguard on duty either provided by the Club or by the beach that is not counted in the childcare ratio or members cannot attend. While members are participating in any kind of water play staff must check the water safety checklist before entering the body of water. Once a month both staff and members will complete a water evacuation drill. If an emergency does occur during water play staff will alert the members with an emergency alarm. The members will then evacuate the water and proceed to their safety area. The safety area is located where towels and other belongings are kept during water play. If the emergency causes members to relocate to another safety area staff will lead members back to the bus or to an area away from the grounds. Once the members are safe families will be notified. Child care members are asked to wear Club shirts while on field trips at all times.

Toileting

All members enrolled in our Preschool through Teen Center programs must be completely toilet trained in order to enroll. If an accident were to occur, the parent/guardian may be called to come to the Club and take care of the situation.

Staff Qualifications

As professionals, we take pride in sharing with families the responsibility of providing love and support for each member in our care. Each member is supported in a secure, nurturing environment. Their environment encourages healthy, social, emotional, physical and intellectual development. Our staff are CPR and 1st Aid certified. All Staff are required participate in a number of training hours each year. Some courses are through Maine Roads to Quality and Care Courses. Fulltime Staff are required 30 hours of training while part-time staff need 18 hours. All of our staff meet the qualifications set forth by the Department of Health & Human Services Licensing Guidelines.

Child Abuse and Neglect

As required by the State of Maine Child Care Licensing, if staff has a strong reason to suspect child abuse and neglect, the situation will be reported to the State of Maine Department of Protective Services with or without prior parental notification. Parental notification will depend on the nature of the situation. All staff are mandated reporters of suspected cases of child abuse and neglect. A copy of the State of Maine Care Licensing Regulations regarding abuse and neglect is available in the main office.

Report of Child Death and Serious Injury

In the case of a serious injury that requires medical care by a licensed provider or a death of a child at our facility first emergency personal would be call followed by the parent/guardian next the Club must notify the Department of Child Care Licensing.

Leaving the Program

When withdrawing a member from any Club program, we require parents/guardians to complete a two week notice form. Payment is expected for the last two weeks of care even if your member does not attend. When leaving the Boys & Girls Clubs of Kennebec Valley, you must be in good standing to enroll at a later date and/or to participate in any sports programs affiliated with the Club.

Appropriate Attire

All members and parents/guardians need to wear appropriate attire while at the Club. We have all age groups here at the Club. All programs go outside throughout the entire year and need to come to the Club prepared. We understand that not all members are comfortable in bathing suits while on field trips or onsite. Shorts and t-shirts can be worn in place. Children should not be wearing long pants and sweatshirts on a hot summer day. There are many health risks that accompany over and under dressing. Members may be sent home if they do not come prepared or if they are not willing to change into appropriate clothing.

Computer Use

The Gardiner Clubhouse has wireless internet for Teen Center members. The Club's policy is very similar to MSAD 11's policy. The rules are intended to provide general guidelines and examples of prohibited uses, but do not attempt to state all required or prohibited activities by users. Failure to comply with The Club's policies and these rules may result in loss of computer and Internet access privileges, disciplinary action, and/or legal action.

Electronic Device Use is a Privilege, Not a Right. This includes the use of personal cell phones while at the Club.

Member use of The Club's computers, school laptops, cell phones, tablets, any Internet capable devices, networks, and Internet services is a privilege, not a right. Compliance with the Club's policies and rules concerning computer/Internet use is mandatory. Members who violate these policies and rules may have their Internet/computer privileges limited, suspended or revoked. Such violations may also result in disciplinary action, referral to law enforcement and/or legal action. The Program Director/Director of Operations/Chief Professional Officer shall have the final authority to decide whether a member's privileges will be limited, suspended, or revoked based upon the circumstances of the particular case. All Club policies, rules and expectations concerning member conduct and communications apply when members are using computers/Internet. Members are also expected to comply with all specific instructions of staff or volunteers when using the computers/internet at the Club.

The Club uses filtering technology designed to block materials that are obscene or harmful to minors and child pornography. Although the Club takes precautions to supervise member's use of the internet, parents should be aware the Club can't reasonably prevent all instances of inappropriate computer and internet use by members. The Club is not responsible for the accuracy or quality of information that students obtain through the Internet while at the Club.

All members enrolled in MSAD 11 & RSU 12 schools have been educated about online behavior, including interacting on social networking sites, chat rooms, the dangers of engaging in "hacking" and

other unlawful online activities and issues surrounding “sexting” and issues surrounding cyber bullying awareness and response. The Club expects the same Internet use behavior at the Club as when the member is in school.
